HEARTY APPETITES

Full Course Complete Overhaul

Gets bikes revamped with an all-inclusive detailing to extend life and performance.

Price does not include parts.

- Bike is disassembled, cleaned & waxed
- Headset, hubs, & bottom bracket overhauled
- New bearings, cables, and housing included (\$35.00 value)
- Complete tune-up and drivetrain clean
- Handlebars taped/grips changed (You buy it, we install at no charge)

To extend the life and performance of your bicycle, we recommend a complete overhaul once a year.

Main Entree Deluxe Tune-up

Gets bikes finely tuned and sparkling clean for optimum performance.

Price does not include parts.

- Adjust brakes front & rear (pad installation extra)
- Adjust derailleurs front & rear (lube pulleys on rear)
- True wheels front & rear
- Adjust all bearings
- Lube chain and cables
- Clean cranks, chain, cassette, and derailleurs

We recommend a tune-up every six months. You may need more or less service depending on usage. Tune-up estimates include an "allowance" of at least \$20 to cover parts.

Bicycle South is a full service repair shop servicing all brands. Our experienced mechanics provide free estimates on all service work. Tune-ups, including the Complete Overhaul, Deluxe, and the Basic are our specialty.

Our shop features both a complete Campagnolo tool kit and NECA frame alignment table. Whether you have a stripped crankarm or a misaligned steel frame, we have the tools and years of knowledge to fix it.

Our mechanics have extensive riding experience. Our handbuilt wheels carry a one year warranty against spoke breakage. Need an odd-sized spoke? We were the first Atlanta shop with a Phil Wood spoke cutter.

Stop by and see one of our experienced staffers for all of your cycling needs.

LIGHTER FARE

Sampler Basic Tune-up

Gets bikes adjusted and lubricated for a better ride.

Price does not include parts.

- Adjust brakes front & rear (pad installation extra)
- Adjust derailleurs front & rear (lube pulleys on rear)
- True wheels front & rear
- Adjust all bearings
- Lube chain and cables
- Light cleaning

We recommend a tune-up every six months. You may need more or less service depending on usage.

Starter Quick Check-up

Gets bikes prepared for that weekend ride.

Price does not include parts.

- Check bicycle for functionality/safety
- Air tires, lube chain/pivot points, minor adjustments (adj. barrel tweaks, touch true wheels), & quick lube

Not a substitution for regular tune-ups. Will not work for all bikes.
